

Fish In A Tree Activity

Week 5

Directions:

- In chapters 38–40, you heard Ally and Shay give their speeches about why they want to be class president.
- Do you think that Shay and Ally are good candidates for class president, or do you think someone else should be elected? Why do you think this?
- Once you pick a character that you think would be a good candidate, contribute to the election campaign! Pick one: Create a slogan and make a campaign sign, poster, or flyer. Prepare a written or oral speech saying why you think this character should be class president.
- Illustrate your work however you would like, and share it with the class.
- Have fun!!!
