Hello from Collingswood, New Jersey!
We are a small town located in the Delaware Valley, 5 miles east of Philadelphia and 60 miles from the Atlantic Ocean. Named one of the "Kindest Places" in South Jersey, Collingswood is best known for its downtown art galleries, restaurants, and boutiques. It is a walking district, so students walk to school. At Zane North Elementary, where I teach, there is only one grade level of each.

Lemon Crest Elementary

*We are located in
Lakeside, California, 30

night.*
